Street Address: _____

City: _____ State: _____ Zip: _____

This report includes only those courses with verified GPEs. Courses without verified GPEs, regardless of term, are not included on this report and do not count toward the overall GPE for the student. Instances where a course has no calculated GPE could be the result of retired faculty, courses taken prior to the 2017 Fall term, the COVID-19 pandemic in Spring 2020, etc.
